

Informational Item 3
Commercial Trip Limit Attainment

DRAFT

2005 minor nearshore rockfish fishery activity by region and number of fisherman participating by vessel permit type, summarized by activity level (based on the amount landed) compared to the federal cumulative two-month period trip limits (data as of the 12-19-05 commercial landings database (CMASTR) extract).

North Coast Region (ports north of 40°10' (near Cape Mendocino) to the Oregon border)												
		Fishermen using <u>LIMITED ENTRY</u> vessels					Fishermen using <u>OPEN ACCESS</u> vessels					
Period	Trip limit ¹	Total # fishermen	# with > 100% of trip limit	# from 80 - 100% of trip limit	# from 60 - 79% of trip limit	# from <60% of trip limit	Trip limit ¹	Total # fishermen	# with > 100% of trip limit	# from 80 - 100% of trip limit	# from 60 - 79% of trip limit	# from <60% of trip limit
Jan/Feb	5,000	2	0	0	0	2	5,000	9	0	1	0	8
